Laminate Color Selector. *Selecting colors is easy.*

Because you can mix and match laminates & hardware you must select four code numbers when ordering.

First: Select the top color. That code number will start with a "0".

Second: Select the frame color. That code number will start with a "1".

Third: Select a color for the doors and drawers. That number will start with a "2".

Fourth: Select your hardware. That number will start with a "5".

Even if your cabinets are all the same color, **FOUR CODE NUMBERS MUST BE SELECTED WHEN ORDERING.**

Please Note: Due to variation in monitor displays, actual colors may vary. If in doubt, please contact us for a catalog. We would be happy to send you one. Manufacturer's warranty is 3 years from date of purchase. These Cabinets are custom, made to order and non-returnable.

Door and drawer pulls can coordinate with the 4 solid color base laminates. Wood Tones look best with silver or black wire pulls. If no pulls are selected, Silver Wire pulls will be used.
